SUBJECT: LITHUANIA TAKES PREVENTING IRANIAN PROLIFERATION  
SERIOUSLY

REF: SECSTATE 121356

On November 17 we met with Martynas Lukosevicius of the MFA's Arms Control and Terrorism Prevention Division, and provided him with Treasury's press statement and fact sheet per guidance in reftel. He promised to share this information with the Financial Crimes Investigation Unit (FNTT) and the State Security Department (VSD). He also reminded us that Lithuania had denied exports to Iran in the past, due to dual use concerns, even though the goods in question were not on a control list.
